ASSISTANT SECRETARY TO GOVERNMENT

COMMUNITY DEVELOPMENT PROJECTS, PUBLIC WORKS

The Block maps were got printed for being used as visual maps referred to in Government Memo No. 207 R.D.P.I/54-1, Dt. 15--9---1954. The area of the Project being extensive and as large sized maps were necessary, blue prints were taken and the various items of works have been shown therein for the reference of the concerned project officials and higher officers. The urgency arose on the proposed visit of the Chief Minister to this District. The Collector, Sri.Rajaram, I.A.S. who was taking keen interest in the Project work gave instructions to have the maps got ready urgently. These maps show at a glance, works progfammed, works completed and works in progress. The symbols are so arranged xxxxhxy that they can be easily altered to indicate progress and completion as each work is taken up for execution and each is completed.

Under the circumstances stated above, I submit that the expenditure incurred in printing the visual maps is worthwhile and hence may be sanctioned.

Yours faithfully,

Project Executive Officer.
